Patient and Insurance Financial Agreement & Office Policy

Welcome to our office, we are honored that you have chosen to partner with us for your dental care and we plan to be your preferred dental health care provider.

If you have insurance benefits we will do our best to help you understand and best utilize your benefits although the actual contract of the insurance policy term is between you, the subscriber/patient, and the insurance group supplying your dental benefits. Please remember you are financially responsible for your account with our office, regardless of insurance agreement or understanding(s).

1. We accept payment for services by cash, check, MasterCard, Visa, American Express and/or CareCredit.

2. If you have dental insurance we will be happy to file your dental claims, as a courtesy to you. Ultimately what insurance **does not** cover, you would be responsible for, regardless of any estimates provided prior-to.

3. If your insurance does not cover the full amount billed to them, you may be billed any additional amount. You will receive an estimate of your insurance portion and patient portion prior to any treatment rendered so that you will be financially prepared.

4. When treatment is rendered, our stall will brief you on the costs and ask that your estimated co-payments and/or charges to be paid at the time of service. We may require a deposit at the time of appointment for some services that cost more than $200. Our office will let you know of any required deposit in advance. We will file insurance claims and accept explanation of benefits from the insurance carrier. After receiving payment through your insurance we will process any credits/balances due via an account statement and that will be mailed to your home, we ask that balances be paid within 14 days of that statement date. In the event that your insurance group does not reimburse services within 45 days from the date of services rendered we ask that you pay the balance in full and coordinate with the insurance group to reimburse you.

5. If you do not have insurance, if your insurance pays you, or if you exceeded your annual/period maximum, payment in full is expected at the time of service unless prior arrangements have been made, in writing, these arrangements must be made prior to treatment being rendered and cannot be requested after treatment rendered.

6. Estimates provided will be honored for 90 days from presentation. In the event that the clinical conditions warrant a different treatment you will be notified of those changes and given the altered estimate, prior to the start of the treatment.

7. In the event of non-payment or after 90 days in default status, a service charge of 1.5% per month or 18% annually will be added to any outstanding balances not paid within 30 days of the current monthly billing statement. All accounts in which effort to pay is not made will be subject to collections proceedings.

8. Our offices requires 48 hours' notice for any cancellations. A charge of $50 may be charged to any account to which this policy is not met. Voicemails, emails, text messages are not an acceptable form of cancellation and it is expected that an attempt to get contact the office is made.

Thank you for reviewing our financial and insurance policy. We will make every effort to explain your cost to you before your treatment so we can avoid any misunderstandings and focus on your dental health. If you have any questions, please ask, we are here to serve you.

By signing this document, you are agreeing that you have read and fully understand the policy within and you agree to abide by this policy. You also agree you have been given the opportunity to receive a copy of this document.
